The Commercial International Bank (CIB) implemented a challenging plan to expand in the Egyptian market, ECG supported this plan through the construction of new branches, renovation and fitting out of existing branches. The program covered 13 branches nationwide (Dahab-South Sinai, Tanta- Gharbeya, Port Ghablib-Red Sea, Al-Arish-North Sinai, Mina Damietta-Damietta, Marssa Matrouh-Marssa Matrouh, Mina Alexandria-Alexandria, Akkassia-Alexandria, El Sabteya-Cairo, Head Office-Cairo, Ramsis-Cairo, Dokki-Cairo, and Sheraton Heliopolis-Cairo).

### Tanta Branch (Tanta, Gharbeya):

Construction of 990 m<sup>2</sup> footprint area with 11,880 m<sup>2</sup> total built-up area. The building comprised: basement, ground floor and 10 typical floors.

### Ramsis Branch (Ramsis, Cairo):

Construction of a 375 m<sup>2</sup> ground floor branch.

### Port Ghalib Branch (Marsa Alam, Red Sea):

Construction of 1,800 m<sup>2</sup> footprint area building with 9,000 m<sup>2</sup> total built-up area. The building comprised: basement, ground floor and 2 typical floors.

### Al Arish Branch (Al Arish, North Sinai):

Construction of 800 m<sup>2</sup> footprint area building with 8,000m<sup>2</sup> total built-up area. The building comprised: basement, ground floor and 8 typical floors.
