Set in a tropical paradise on the northwest coast of the Comoros Islands, 25-minute from Moroni-Prince Said Ibrahim Airport; the project is an elegantly furnished resort which offers every conceivable comfort, specialty dining offerings, a world-class spa, sanctuary, and unmatched recreational activities for all generations. It is the sense of space and choice that sets the resort apart, considering innovative and environment-friendly design solutions.

The 5-star resort enjoys an extraordinary location; overlooking the Indian Ocean and surrounded by tropical

green cover and palm trees. It is located along the barrier of Indian Ocean corals with an enclosure of a sandy beach. It consists of 110 suits and rooms with areas varying from 45 m² to 300m², total plot area of 88,708 m², landscape area of 70,600 m², and total built-up area of 12,2219 m². The rooms and suits are located either on the ground floor with a private terrace, or on the upper floor with a private balcony.
