The first of this prestigious hotel chain in Egypt, the Kempinski Hotel Soma Bay is located on the bay side of Soma Bay. Designed as a Moorish fortress with oriental accents, the luxurious hotel, which stretches over 7,000 m<sup>2</sup>, features an impressive system of pools, waterfalls, and lagoons. The hotel features 325 graciously appointed guestrooms and magnificent suites, including two presidential suites. Guests may also be accommodated

in Laguna Club rooms and suites, which benefit from wonderful views of the Soma Bay Marina. Guests may also have their own breakfast and evening lounges, as well as separate information and checkout service desks.
