

# Development of Health Care Centers and Units in Portsaid

## Client

Ministry of Health & Population, Egypt

## Scope of Work

Construction Supervision

## Location

Port Said, Egypt

## Types of Activities

Electrical  
Mechanical

With areas ranging from 100 m<sup>2</sup> to 200 m<sup>2</sup>, the project comprises the development and fulfilment of civil defense requirements for 35 health care centers and units that serve the villages of Portsaid and provide a full range of medical services.

Works cover renovation of firefighting, HVAC, electrical, and low current networks.
